HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

Lovely to see everyone back after the half term break. A special welcome to our two new children this week, I am sure they will quickly become part of our school family.

It was a pleasure to see Class 1 begin their swimming lessons, they were all very keen to try out new skills and develop their water confidence. Well done everyone.

I also met with the two representatives from the Church Aston Parish Council this week Cllr Simon Stacey and Mr Mike Atherton, they were very enthusiastic about both the parish and the school. I look forward to forming closer links with them in the future. The children on the School Council also got to talk to them about our school and all that happens here. It is great to hear them share their views.

Thank you to Friends of School, they are busy collecting a range of prizes for our Easter Raffle, it's surprising the range they have already acquired. If you have any ideas please let them know.

Best wishes

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

HAPPY BIRTHDAY

We hope you had a wonderful birthday?

CLASS 1

The children were excited to see our pirate ship role play. On World Book Day next Thursday we are planning a pirate theme to the day. We hope the children will dress up as their favourite character in a book or come as pirates for the day.

In maths the reception have learned about making equal groups out of 6 objects. Year 1 have been learning how addition and subtraction are inverse operations by using first, then, now, then, now sequences. We all enjoyed making and tasting pancakes on Shrove Tuesday and then writing their instructions.

CLASS 2

Welcome back everyone!

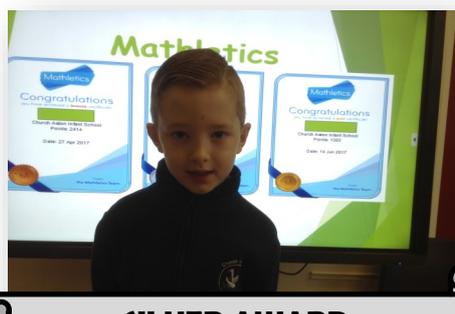

It has been another busy week in Class 2. The children have examined 3d shapes focusing on their properties including the shape of faces, the number of edges and vertices. They have also used the properties to help them build and sort the shapes. In English and history the children have used the knowledge they have gained over the last half term to put together a report on Christopher Columbus that they will share with Class 1. In science the children have discussed what a plant needs to grow healthily and then planted bean seeds to observe over the next few weeks.

Well done to all the children that received their bronze or silver Mathletics certificate today.

BRONZE AWARD

SILVER AWARD

Just to keep
you posted!

SCHOOL CALENDAR DATES

Monday 17th February—Friday 21st February— Half Term holiday

Monday 24th February—PD Day—School Closed to pupils

LATEST NEWS AND EVENTS

OUT OF SCHOOL ACHIEVEMENTS

Congratulations on your swimming and gymnastics achievements. Thank you for sharing them with us in celebration assembly. Keep up the hard work.

LATEST NEWS AND EVENTS

CLASS 2 REMINDER

If you have not done so already please can all sponsorship forms and money be returned to school by Monday 2nd March

FRIENDS OF SCHOOL

The next Friends meeting is tonight, Friday 28th February at The Fox, 7.30pm. It would be lovely to see as many parents, grandparents or carers there.

ART CLUB REQUEST

If you have any spare wool, especially chunky wool, we would be grateful for any donations. In Art Club the children are having a go at making pompoms and sewing. They really enjoyed having a go and we were really impressed how well the children did. The snow pom poms will be going on display at the Newport Show in the Summer.

Well done again this week to...

BLUE TEAM

For winning the Team Challenge.
