HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

This term has gone very quickly and we are now ready for our end of term. Luckily we haven't all succumbed to the Winter bugs that are going around and I am hoping that we all stay healthy over the holiday. The children are ready for some rest and relaxation— and I think the staff are too.

I know the children are very excited and looking forward to next week's events, I wish them all a wonderful time and I can confirm that when asked by Santa , I was able to say they have all been very good (most of the time).

A Merry Christmas and a Happy New Year.

I look forward to seeing you in 2020.

Jenny Griffiths

CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

HAPPY BIRTHDAY

Enjoy celebrating your special day during the Christmas holiday.

CLASS 1

In maths we have been exploring 2d and 3d shape all week. We have learned songs, been on shape walks and solved lots of problems involving shape.

In English we wrote a recount of our role in the Christmas performance and later in the week wrote instructions on how to make our chocolate winter trees. The children have also been busy delivering the cards that they have written at home. The children are making really good progress in their reading.

We wish you a very happy and safe Christmas and we look forward to seeing you in 2020. Happy New Year.

CLASS 2

This week Class 2 have looked at properties of 2d shapes and compared their similarities and differences. We really enjoyed searching for shapes around us in our school environment. We finally shared our theatres and story telling with Class 1. They really enjoyed our stories and liked looking at the characters and their moving parts.

Thank you to everyone for all their hard work this term. We have explored toys old and new, we've written fantastic stories using description and powerful verbs. In maths we have been securing our addition and subtraction skills and started to work on our times tables. I am looking forward to starting our Explorers topic in January and I will see you all on the 6th. Merry Christmas, enjoy the break and a Happy New Year!

BRONZE AWARD

SILVER AWARD

MATHLETICS

Well done to all the children that received their bronze or silver Mathletics certificate today.

Just to keep you posted!

LATEST NEWS AND EVENTS

SCHOOL ADMISSIONS

Just a reminder that the online admissions application forms are now available at www.telford.gov.uk/admissions. The following deadlines apply this year:

- Applying for primary school places to start in September 2020 (starting school for the first time) - **closing date 15 January 2020**
- Applying for infant to junior school places to start in September 2020 (current Year 2 pupils) - **closing date 15 January 2020**

The admissions team are holding a drop in session to help parents complete their applications online. These will be held on Thursday 9th January at Southwater Library between 9:30-1pm and Wellington Library 1-4pm.

SCHOOL PRODUCTION—WHOOPS— A DAISY ANGEL

Thank you to everyone that came along to see our nativity play. The children were all amazing!

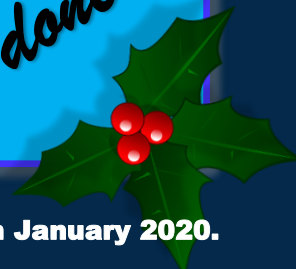

Seasons Greetings

Well done again this week to...
BLUE TEAM

For winning the Team Challenge.

Well done!

Have a lovely break and we look forward to welcoming you back on Monday 6th January 2020.
