HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

We had a few interesting visitors this week. Kirsty and Eve came from Newport Library to encourage the children to take part in their Summer reading challenge. The children were very enthusiastic and it would be great for them to pop into the library and choose to read six books. They will collect stickers for each book they read and receive a medal and a certificate for completing the challenge. They can start the challenge from this Saturday.

We also had a special visit from Mrs Joy Clayton-Jones who used to be Head teacher at our school . It was delightful hearing about the school , the children and the teachers that she worked with. She had so many stories to share. She remembered teaching Mrs Reynolds to read and I have to say she is a very good reader! Mrs Clayton-Jones met the children and they sang Just Look to her which she enjoyed immensely .

Have a lovely weekend, hope to see you at the Newport Show.

CELEBRATING SUCCESS

Congratulations to all the children that received an award today.

Congratulations to **GREEN** team for winning the Team Challenge.

BIRTHDAY CELEBRATIONS

Look who celebrated her birthday this week.

CLASS 1

We had another wonderful transition afternoon with the new reception. Our current children are so looking forward to making new friends and having their siblings in school.

In English we had an African story which we created music for using tuned and un-tuned instruments to give special effects. We also illustrated parts of the story using watercolours and collage.

In maths we had a problem solving morning using numbers from the 100 square.

CLASS 2

This week we enjoyed **'Shuffle up Day'** and welcoming the children that will be with us in September. They created self portraits and labelled all the things they enjoy and that are important to them. We enjoyed our team building games outside.
In English we started our work on comic strips and have really enjoyed sharing our work with the class.

Well done to all the children that received a Mathletics certificate today, well done!
