HEAD TEACHER'S WELCOME

Dear Parents,

I would like to take this opportunity to let you know how pleased and proud I am to begin my headship at Church Aston. I felt the warmth and sense of community when I first visited and was impressed with all that was going on within the school. I hope to ensure your children continue to have the happiest of learning experiences in a caring and stimulating environment. It has been wonderful to see the children come into school this week with confidence and enthusiasm.

I look forward to getting to know them as individuals and find out what is important to them, their interests and their talents. Thank you to all the staff for the great team effort that has gone into preparing for the new school year. I know many exciting activities from across the curriculum areas have already been planned so please remember to use the school website to keep up to date with what is going on in school. Also, this newsletter should give you a flavour of what is happening in school and will be emailed out to you on a regular basis.

If I haven't met you in person yet, please make yourself known to me when you get an opportunity. I very much value your input into your child's education. If you do have any concerns please don't hesitate to get in touch, I am here to help. Also, we love to hear about your children's out of school achievements so we can celebrate these too.

Those celebrating success this week were;

Look who's celebrating their birthday this week.

CLASS 1

It has been lovely to welcome back the Year 1 children, they have been very good role models for all our new Year R. They have all settled in brilliantly and we've been very impressed with their behaviour. They have been learning about our school rules and classroom routines.

CLASS 2

Children have settled really well in Class 2. They have enjoyed inventing Superhero characters and writing about them.

In Maths we have been exploring the different equipment and making shapes and patterns.

PE SESSIONS—PE is every Tuesday and Friday afternoon, please can children come in to school in their uniforms with their PE kits in a named bag to change into on these days. Jogging bottoms can be worn when it is cold.

FRIENDS OF SCHOOL

We have an Active Friends of School at Church Aston Infant School and are currently still fundraising for additional sports equipment. We would very much welcome new members to bring fresh ideas to enhance what we already do. We usually meet monthly to discuss ideas and allocate tasks. If you can spare a small amount of time please join us at our next meeting on **Thursday 27th September, 7.30pm at the New Inn, Newport.** Every parent, carer or grandparent with a child in school is automatically part of the Friends of School.
