HEAD TEACHER'S HIGHLIGHTS

Dear Parents,

It's been another lovely week at Church Aston. The children have been busy getting used to their new routines. Assemblies are now at 9:00 am on a Monday and Friday and 10:45 am on a Tuesday, Wednesday and Thursday. We were pleased to see the parents of our new Reception children at their Welcome Assembly on Friday. The children were keen to share their favourite thing to do in school so far. They each received a book to encourage them to share a love of reading with their families. I'd like to remind everyone to make time for reading throughout the week. Please ensure you sign your child's reading diary and let teachers know how your child is getting on at home with their reading.

Unfortunately, we will be saying goodbye to Mrs Williams on Monday. She has worked at Church Aston for seventeen years and has seen many children through their early education. I know she has many fond memories of her time here but she is moving on to start a new role. May I take this opportunity on behalf of staff, governors and of course children to say thank you to her for her thoughtfulness and commitment to our school. She will be greatly missed but we wish her health and happiness in the coming years.

Have an enjoyable weekend.

Jenny Griffiths

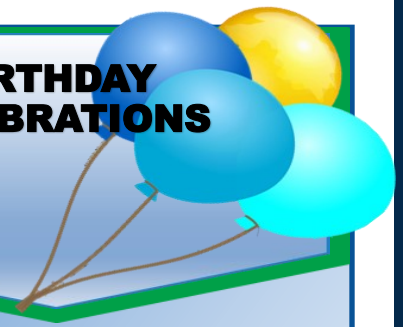

CELEBRATING SUCCESS

Those celebrating success this week were;

BIRTHDAY CELEBRATIONS

Look who's celebrating their birthday this week.

CLASS 1

The children have been enjoying doing lots of measuring activities. Children in Year 1 were estimating and measuring how long and tall different objects are. They have also been representing numbers in different ways.

CLASS 2

The children have made a super start with their topic The Great Fire of London. They have been sharing the story of Vlad and The Great Fire of London and this has helped the children with their writing this week. They have also been investigating place value in Maths.

Lunches—If your child would like a school sandwich please make sure you order them on the Friday for the following week.

RECEPTION CHILDREN WELCOME ASSEMBLY

It was wonderful so many parents and grandparents of our new reception children were able to join us in a special welcome assembly.

The Reception children were presented with a welcome certificate and book. We share books daily with the children in school and would love this to continue at home. If you read with your child or share a book please record this in their reading diaries.
