HEAD TEACHER'S HIGHLIGHTS

Dear Parents

We have had a lovely final week to the half term. The children have enjoyed finding out about and celebrating Chinese New Year. We wish any of our families who are participating in this event a very happy Chinese New Year.

A big well done and thank you to the staff for all their hard work regarding remote learning this half term, we hope you found it as useful as possible and thank you to all of you for the effort you have put into this as well. I am sure it can only be of benefit to the children. I think we all deserve a well-earned break, please remember we are still in lockdown over half term so stay safe.

Please continue to follow our coronavirus guidelines on our website. Please let us know if your child develops symptoms, or tests positive for coronavirus, within 48 hours of being in school on Friday 12th February by emailing H2033@taw.org.uk so that we can assist in contact tracing. After this time period you will need to follow contact tracing instructions provided by NHS Test and Trace.

If your child develops symptoms, or tests positive for coronavirus, or is isolating with their household, please inform school before returning on 22nd February.

Have a lovely half term and look forward to seeing you soon.

Best wishes

Jenny Griffiths

THIS WEEK THE WINNING TEAM IS

Happy Chinese New Year

CLASS 2

It's the end of the half term at last! Everyone has worked so hard in school and at home, I am so proud of you all!

We have journeyed into space exploring the Space Race and travelled from the Arctic with Nanook the polar bear on some ice. We have covered so much, and you have created wonderful rockets and settings to inspire our work.

In maths we are now able to accurately measure in centimetres and investigated whether our armspan is the same as our height! We've looked at telling the time and how long has passed between activities.

Also, we have explored tangrams, the story behind them and we can create different pictures with the 7 geometrical shapes.

It is definitely time to put our feet up, relax and enjoy our time with the family. I will upload our work for after half term on Teams today so I can switch off and catch up Eastenders, Coronation Street and Married at First Sight, my guilty pleasures! I will see you all at the usual times on Monday 22nd February with our new text and maths focus.

Have a wonderful week with the family everyone!

Rewarded for joining in all Teams sessions so enthusiastically and sharing a wealth of knowledge that knocks my socks off every time.
