## HEAD TEACHER'S HIGHLIGHTS

Dear parents

Well, we have all enjoyed this week. Our sports day went particularly well with all our children involved and keen to show off their sporting skills. It was great to see them running, jumping etc for their team. We had the old favourites of the egg and spoon and obstacle races, that I am sure you remember joining in with. Such happy memories. Blue team was the overall winner. but the total points were very close so congratulations to all. Blue Team's name will be added to our sports trophy. Please enjoy looking at the photographs later in the newsletter.

Staff are busy preparing for the end of term, so if you still have not returned your maths boxes it would be helpful if you could send them in early next week. They are also sorting the children's books to send home. The class teacher will let you know if they need to keep some of your child's books back. They will be kept safe and returned to you later.

We have some nice things to look forward to next week. Apparently, we are having a tractor visit linked to the Newport Show to help us with our potato harvest. We also have the leavers disco on Friday 3pm until 5pm which we can hopefully hold in the playground in separate bubbles, weather permitting.

Class 1's jigsaw project is still going well, thank you to all the children and parents who have been helping out with this. We actually have a few children who have done a record number of jigsaws, they have been so keen. Fantastic!

Anyway, have a lovely weekend.

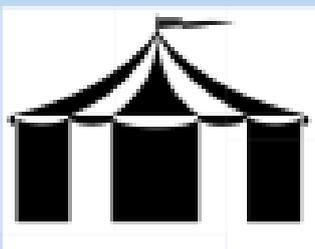

Best wishes

Jenny

## FRIENDS OF SCHOOL CAN YOU HELP?

As the Friends of School whole school Leaver's Party will be held in the playground at school we are in need of some gazebo's just in case they are needed. Please can you let us know if you can help.

Also food will be served at 4.15PM, if anyone will not be there at that time please can they let Friends of School know.

20th July— Leavers assembly 9.15am

July / August Gin Tasting Evening

## Summer Reading Challenge 2021

Pop along to your local library to sign up for the Summer Reading Challenge 2021.

The Challenge starts on Saturday 10 July and ends on Saturday 11 September 2021.

Children aged 4 – 11 can enjoy reading 6 books over the summer holidays. Upon joining they will receive a collector's pack and their first set of stickers. When they have read their 6 books they will receive two more sets of stickers, certificate and medal.

WE HOPE YOU HAD A LOVELY  
BIRTHDAY.

THIS WEEK THE WINNING TEAM IS

## YELLOW TEAM

Well done to all the children that have earned a team token for their work this week.

# CLASS 1

Class 1 have had lots of fun learning outside this week. They enjoyed using the role play costumes as well as water play and large construction activities.

We had a super visit from Bolt who is a Hermann tortoise that belong to Mrs Judd's daughter. The children were very interested in how you look after him, where these tortoises would normally live etc. They had lots of thoughtful questions to ask about him. So, thank you to Mrs Judd for taking the time to bring him in to show the children.

In Maths Year 1 children have been looking at grouping in twos and counting in twos. Whilst reception have been investigating pattern in a range of ways.

The children have also spent time writing sentences using their knowledge of sounds, tricky words and using their spellings.

We have had our gazebo fixed so the children have set it up as a playhouse and this has created lots of opportunity for social and emotional play. It is delightful to see how the children have matured across the year and can play so cooperatively, sharing ideas and taking turns.

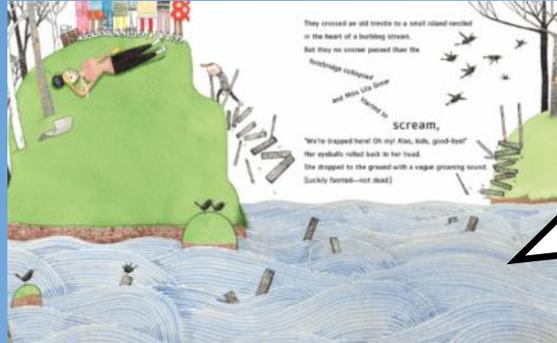

**STAR OF THE WEEK**

**Rewarded for being polite, kind and a great sportsman.**

# CLASS 2

Class 2 have been very industrious this week!

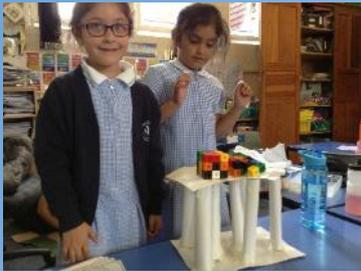

We have had tower building using only scissors and paper! This was tricky at times because we wanted to stick everything together. Then we designed a bridge to help Miss Greer and the children get back across the water.

What can you do to help?

Can you design a bridge to cross the water?

We had some amazingly detailed designs. Then we made free standing bridges. We had a think about what makes a structure strong and stable so there was a lot of layering and rolling paper and card to make the strongest bridge we could!

**STAR OF THE WEEK**

**Rewarded for being an all round superstar and working hard at home and in all her lessons.**

# *Celebrating Success*

## **REWARDS OF THE WEEK**

**Well done to all the children that received an award for Marvellous Mathematician, Wonderful writer, hand writer of the week, Reader of the week or Breakfast Club Superstar. Keep up the hard work.**
