HEAD TEACHER'S HIGHLIGHTS

Dear parents,

A busy week in school. The children enjoyed a delightful music session with Liz and her daughter Katie. Liz plays the organ at St Andrews Church, and she came to teach each class some harvest songs. Many thanks to Liz, she will be coming to do some more singing sessions with the children in the next few weeks. Two children kindly delivered a basket of pears from our pear tree with me today for the produce sale at Church which takes place on Sunday, part of the Harvest Folk Festival.

Wow lots of children have been really involved in thinking about having a role on the school council. We heard some great speeches and all children had opportunity to vote for who they thought would make a good school councillor. A big well done to everyone who took part. Please see the photograph below of our new School Council. I think they will be a super asset to the school and think of lots of ideas to take the school forward as well as representing our school during the year.

Everyone was fully involved in their tennis session today. It was great to see them so actively involved, with lots of hand /eye co ordination being developed. Great fun and good tennis skills training.

Thank you to so many parents who joined us in the first Friends of School meeting of the year. Jeni Kuczynski will continue her role as Chair of FOS, Jo Monk is happily taking on the role of Secretary and Laura Hayward-Harris becomes the new treasurer with Ola Z supporting her. We look forward to some exciting events for children, parents and staff as well as hopefully raising money which will help add to the experience your child receives at Church Aston.

Please can I remind you that Coronavirus cases are still very high, particularly in school children ages. Stay vigilant and please book a PCR test if necessary.

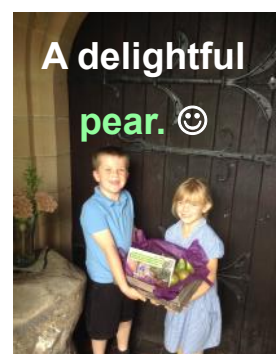

Stay safe.

Best wishes

Jenny Griffiths

School Council

A delightful pear. 😊

IMPORTANT DATES FOR THE DIARY

Monday 27th September—Individual School Photos

Monday 4th October— Usborne Sponsored Read Assembly—More Information to follow

Sunday 10th October—100 years celebration for the village hall at 2pm

Wednesday 20th October 2.15pm - Harvest Festival

Tuesday 2nd November—Parents Afternoon Evening on Teams

This Week's Winning Team is **RED TEAM**

CELEBRATING 100 YEARS

Please come and join in with the 100-year celebration of the Church and Chetwynd Aston Village Hall. It looks like lots of fun. The children from our school will have a ticket which will enable them to receive a commemorative mug and join in with the activities which include a free magic show. It should be a great afternoon.

Please see leaflet attached.

Children enjoyed a fun free tennis taster in school today. Lilleshall Tennis Club have invited them all to a Free tennis open day on Saturday 25th September.

MISSING ITEMS OF CLOTHING

We have a child in school that is missing their new school cardigan. This is named so can you all please check to see if your child accidentally took this home.

Children frequently take their cardigans and jumpers off throughout the day and they can easily get mixed up, therefore It is very important that all clothing is named to enable us to return lost items to your child.

PHOTOS IN SCHOOL ON MONDAY 27TH SEPTEMBER

Academy will be in school on Monday to take the school photographs.

If you would like your child to have their photos taken with their siblings on Monday please arrive at school by 8.30am prompt.

CAN ALL CHILDREN ARRIVE AT SCHOOL ON MONDAY IN THEIR SCHOOL UNIFORM AND BRING THEIR P.E KITS WITH THEM.

SCHOOL ADMISSIONS

The online admissions application process is now available at www.telford.gov.uk/admissions.

The following deadlines apply this year:

- Applying for Reception Year school places to start in September 2022 (starting school for the first time) - **closing date 15 January 2022**
- Applying for Infant to Junior school (Year 2 into Year 3) places to start in September 2022 (current Year 2 pupils) - **closing date 15 January 2022**
- If a child has an Education, Health & Care Plan the closing date is 31st October 2021 for all applications.

HOW TALL DID YOUR'S GROW?

It really has been wonderful to see all the progress the beautiful sunflowers have made. Some children have so enjoyed nurturing their sunflower plant and can now see all their efforts pay off as their beautiful sunflowers bloom brightly.

CLASS 1

We have had a lovely week in Class One. Reception have been looking at the number three in maths and have been looking for sneaky numbers hiding in three! Year One have been thinking about greater than and less than in their maths lessons.

We have been thinking about real life superheroes like doctors, nurses and police officers in English as well as continuing our colour monster work. He went on an adventure to the zoo this week and even sent us a postcard, we couldn't believe it!

If you have any photos of your child by landmarks in either London, Edinburgh, Cardiff or Belfast please could you e-mail them to Vicky.richardson@taw.org.uk

Please remember to arrive to school on this Monday in your school uniform and bring your P.E kits with you.

Have a lovely weekend, hopefully in the sun, and we'll see you all on Monday!

**Rewarded for settling
into school life so
well.**

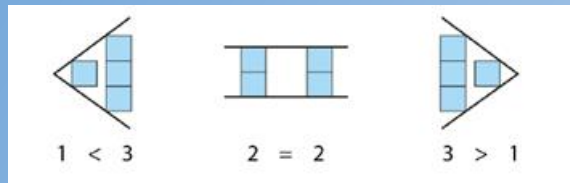

STAR OF THE WEEK

CLASS 2

Class 2 have made me so proud with their writing this week. We have been writing letters as the character Squirrel in our story. Squirrel wanted some time away from Bear, and Bear became very lonely. So, we decided to be Squirrel and write a letter of apology. The children wrote some wonderful letters and showed real empathy with the characters feelings.

We also wrote a letter to Reverend Zoe this week. As we are learning about important people in our community, so we wanted to find out a little bit more about what she does.

In maths the year 1 children have been learning about greater than, less than and equal to and the symbols we use to show this.

In year 2 the children have started recapping subtraction and how we can use our number facts to help us subtract by bridging 10.

Subtraction through ten:

$$12 - 4 = 8$$
$$12 - 2 = 10$$
$$10 - 2 = 8$$

so

$$12 - 4 = 8$$

In Art the children started to learn about the artist Wassily Kandinsky.

STAR OF THE WEEK

Rewarded for working hard in all his lessons and always being ready for his learning.

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful writer, hand writer of the week, Reader of the week or Breakfast Club Superstar. Keep up the hard work.
