HEAD TEACHER'S HIGHLIGHTS

Dear parents

It has been a very busy week here, especially for our Year 2 children who have been completing their SATs papers. They take it all in their stride and I am pleased to say they see it as just another piece of work that Mrs Powell is keen for them to complete. Well done everyone, remember keep on learning and have lots of fun finding out new things. They have also had their photographs taken for their leaving books, this brings mixed emotions for all. Great to see them maturing but also sad to think those little ones that we have nurtured and cherished over the last three years will be moving on.

We enjoyed a wonderful afternoon with a special visitor this week. One of our Grandparents popped in to play his guitar for the children. A great opportunity for them to hear and see live music playing. A big thank you to Mr Reynolds!

Look what my Grandad can do!

Parent Governor Vacancy

Mrs Jo Newell has very kindly agreed to stand as one of our parent governors. She knows our school well having had a child that has already gone through Church Aston and another who is currently in Reception. We look forward to her becoming involved in the Governing Body, I am sure she will be a great addition and I would like to offer my thanks for taking such an interest.

Best wishes.

Jenny Griffiths

Exotic Zoo brought us some fabulous creatures to get up close to!

IMPORTANT DATES FOR THE DIARY

26th May – last day of half term

5th June – back to school after half term

5th June– Friends of School Meeting 8:15pm Zoom

7th June—Year 2 to Forest School

10th June—Newport Carnival

23rd June– Mufti Day

4th July –Sports Day

14th July—Leaver's Party 3pm to 5pm

Newport Carnival

If you haven't chosen your carnival character please see Mrs Griffiths next week, thank you.

OUT OF SCHOOL ACHIEVEMENTS

Congratulations on receiving 'Players Player' for Nova Football U7's team

Congratulations on completing your Learn to Ride week.

This Week's Winning Team is

GREEN TEAM

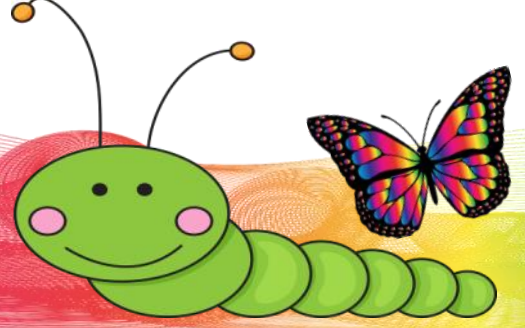

Exotic Zoo

**These creatures
were definitely
Weird and
Wonderful!**

WELCOME TO CLASS 1 PAGE

And just like that, it's Friday again! We have had another fun filled week in class one.

The children loved telling Mrs Richardson all about the weird and wonderful animals we saw on Friday when the Exotic Zoo came in to visit! They have written lots of interesting facts about the animals in their books too!

In maths the reception children have been looking at number tracks. This has involved lots of playing linear number games which has been so much fun! If you have any board games at home, snakes and ladders for example, I'm sure the children would love to show you their counting on skills!

Year one have been putting numbers on number lines all the way up to 100 in their maths lessons this week!

In science we have continued our learning about life cycles. This week we learned about the life cycle of an oak tree and how it starts its life as a tiny acorn.

Class 1 Star

For being a
super member
of our class!

It was particularly interesting to learn about the sapling stage as that is what we planted at Chetwynd Deer Park for the Queen's Canopy!

We made perfectly camouflaged chameleons by mixing water colours together to match different backgrounds in art this week.

Have a lovely weekend and we will see you next week for the last week of this half term!

WELCOME TO CLASS 2 PAGE

It has been very weird and wonderful in Class 2 this week! The children have been busy researching as much as they can about axolotls. Their brains are now full of exciting facts about these strange animals.

We have researched their habitat, their diet and described what they look like.

Did You Know...?

Axolotls have amazing healing abilities. They can regrow their body parts if they are injured!

In computing the children have used their mouse skills to draw lines and fill spaces on the app paintz.

We also had a go at making our own Mondrian inspired pictures using a ruler. We have so many fantastic artists in Class 2!

Class 2 Star

Rewarded for being a kind and helpful member of the class. She looks after Mrs Powell so well!

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful Writer, Hand Writer of the week, Reader of the Week or Breakfast Club Superstar. Keep up the hard work.
