## HEAD TEACHER'S HIGHLIGHTS

Dear parents

Another half term has flown by and the children have enjoyed lots of fun learning and activities.

Reverend Zoe very kindly came in to visit and share lunch with us this week. It was lovely to see her and she is very keen for us to make use of the Community Garden in the churchyard which I'm sure we will be doing in the near future.

We are looking forward to Forest School when we come back—Year 2's will be visiting on 7th June. We've just purchased some pond dipping nets which we will be making the most of.

Thank you to Friends of School for helping make the props for our walking float for the Carnival, the excitement is starting to build.

Please can all Year 2 parents check that they have received their leavers photo proofs. It's a super photo of them—if you want to order any of the photos please follow the instructions to do this online.

Thank you to staff for all their hard work this half term, I hope they have a well earned rest.

Have a very happy half term break!

Best wishes

Jenny Griffiths

Football fun in the sun!

## Parking Safely

Please ensure that if you are dropping off and/or picking your child up by car that you park at the Village Hall on the other side of the bridge, thank you.

Please can we ask that you park safely and considerately and do not park on double yellow lines, school zig zags or pedestrian crossings. Please also do not cause any obstruction by blocking pathways or driveways. Thank you.

## IMPORTANT DATES FOR THE DIARY

26<sup>th</sup> May – last day of half term

# WELCOME TO CLASS 1 PAGE

Well, what a lovely sunny week we've had! We have all really enjoyed spending time outside. We would be grateful if you could apply suntan lotion to your children before school and send them with a hat on sunny days. If children bring suntan lotion to school, the roll-on type are the easiest for them to apply themselves as we cannot do it for them.

We have been reading 'Mr Seahorse', another book by Eric Carle and the children have been producing some lovely writing based on this book.

Reception have been doing some assessments in Maths this week and we have been very impressed by their retention of all they have learned this year! We really do have some Maths wizards in Class One.

Year 1 have been consolidating their understanding of two-digit numbers, looking at their place on a number line and examining how they are constructed from tens and ones.

We had something very exciting happen on Thursday evening...one of our caterpillars emerged from it's chrysalis as a beautiful butterfly!

## Class 1 Star

And that's it for another half term! We hope you have a fantastic, hopefully sunny, break and we will see you back in school on Monday the 5<sup>th</sup> of June!

**Rewarded for trying extra hard to  
produce some fantastic independent  
writing**

# WELCOME TO CLASS 2 PAGE

Class 2 have enjoyed their next challenge in *Digital Painting*. They have created pictures inspired by 'The Snail' by Matisse. They used shapes, fill and undo to create and edit their work.

In English the children have made me very proud with their retell of our latest story 'Mr Wolf and the Enormous Turnip'. The children have used the story language we have focused on and thought about making their writing interesting for the reader. We even made a theatre to help tell the story. Well done everyone!

**Class 2 Star**

**Rewarded for being an all round super star and an excellent role model to others**
