HEAD TEACHER'S HIGHLIGHTS

Dear parents

We had a very musical start to our week. The Telford and Wrekin Band visited on Monday afternoon. We enjoyed listening to them playing a variety of musical genres for the children to try to recognise. Mr Rainbow also set up the guitars and the keyboards. He prepared our young musicians to play their individual instruments along with the band for support. Well done to the children, they have grown in confidence and it was wonderful to see them doing their first performance. I hope they continue to enjoy their music sessions they have been very enthusiastic about them throughout the year.

As children move into KS1 from Reception there is opportunity for them to start individual music lessons.

If you think your child might be interested please see the attached letter to make contact with the music service directly to find out more about lessons or alternatively let me know and I will explain the details to you.

Well we have dug our potatoes for the Newport Show, Mrs Lambord assures me it is a good crop – we can only hope!

Look forward to seeing you at Sport's Day next Tuesday.

Have a great weekend.

Best wishes

Jenny Griffiths

IMPORTANT DATES FOR THE DIARY

FOREST SCHOOL

WELCOME TO CLASS 1 PAGE

Well, it's been a bit of a rainy week hasn't it? But reception managed to stay nice and dry at forest school on Wednesday! They had a fantastic time digging, swinging and zip wiring through the forest!

The children enjoyed watching a short film called 'Taking Flight' in their English lesson this week. They loved writing about the adventures they might go on in the little red cart!

In maths the reception children have been looking at reviewing all the different ways 5 can be split. They have been using their knowledge of number bonds to 5 to work out missing numbers.

In phonics this week we have learned the sounds u-e (huge) and aw (yawn).

On Thursday we had a super fun art day! We painted, printed, sponged and taped animal prints! If you are planning on coming to the Newport Show next week you might see some of our creations on display!

Class 1 Star

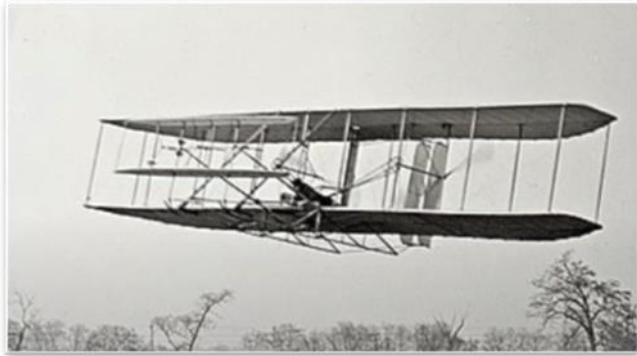

Have a lovely weekend and we will see you next week!

Rewarded for always helping other children in our class.

WELCOME TO CLASS 2 PAGE

There has been a buzz around Class 2 this week with our new text 'Ziggy's Frightening Flight'. The children have used expanded noun phrases to describe the bee's habitat and used the text to draw Ziggy's new home. The children are excited to research more information about the bees.

In history we have learned about early flight and this week we have focused on the Wright brothers. The children were amazed at how flimsy the first planes were and how there is not even a cockpit. But this plane was different, it had an engine!

Class 2 Star

I was very proud to see the year 2 children going off to their junior schools and Class 2 had some visitors on Wednesday. It was wonderful to see my year 1 children supporting the Reception children in our classroom.

Rewarded for his enthusiasm for learning in the classroom and doing extra research at home.

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful Writer, Hand Writer of the week, Reader of the Week or Breakfast Club Superstar. Keep up the hard work.
