HEAD TEACHER'S HIGHLIGHTS

Dear parents

It was lovely to see so many of you sharing Sports Day with us this week. The children really enjoyed the event and it was good to see them so involved. I hope you were very proud of all their running, jumping and balancing skills. I think the way they stayed focused and followed all the instructions was great too. Having opportunity to be part of a team is good for them and gives them a sense of competition in a positive way. So well done to everyone and congratulations to the winning team

Blue Team.

Many thanks to Friends of School for all their help in organising the refreshments, the strawberries and cream were a real treat. I hope you enjoyed the potatoes that were so kindly donated by the Bayliss Family, all proceeds from their sale is going to our school fund.

See you at the Newport Show

Best wishes

Jenny Griffiths

How do you like your potatoes?

IMPORTANT DATES FOR THE DIARY

10th July—Year 1 and Year 2 music performance in Village Hall at 2.40pm

20th July—Leaver's Lunch—change to menu—hotdogs or quorn sausages, chips, beans, onions and sauce followed by shortbread, and ice cream with a flake, sprinkles and sauce

21st July—Leavers Assembly for Year 2 parents at 9:15am in school for approximately one hour

This Week's Winning Team is Yellow Team

Change of Menu Leaver's Lunch

On Thursday 20th July lunch will be:

Hotdogs or Quorn sausages, chips, baked beans, sweetcorn and onions with tomato or BBQ sauce. Followed by shortbread, ice cream and flake with sprinkles and sauce.

AFTER SCHOOL CLUBS INVOICES, PAYMENTS AND BOOKING

Year 2 only - Invoices in July—As we near the end of the Summer term we will be changing the way we ask you to pay for Breakfast and 4 O'clock clubs, this will only be for the last week of the term. We will send you an invoice for sessions attended up to and including Friday 14th July on Monday 17th July. From Monday 17th July we will ask you to pay for each club attended on arrival at Breakfast Club, and on pick up at 4 O'clock club, charges are as follows: **Breakfast Club - £3.50 per session and 4 O'clock Club - £4 per session**

If you have any questions or concerns please let us know. **Please can we also ask that all invoices, including any outstanding invoices, are paid by Tuesday 18th July** so that we can complete the banking process before the end of term. Thank you.

Reception and Year 1 only – Invoices and After School club booking form—We will send out invoices for July when we return in September along with the new After School Club booking form for the Autumn term.

Circus Visit

We had a fantastic visit from Daris one of our fathers who is well known across the world for his Fumagalli circus act. He showed us lots of juggling skills, jokes and tricks. His daughter was able to show off her circus skills too! The children (and staff) squealed with laughter and happiness—what a great performance! A link to one of Daris's shows is [here](#)

A big thank you!

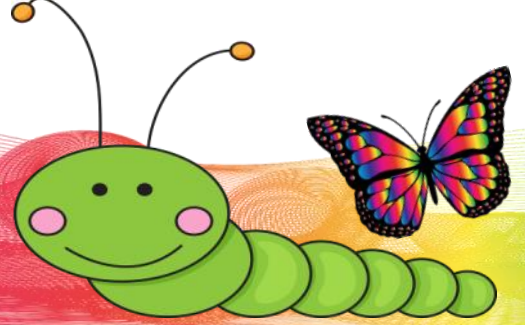

Sports Day

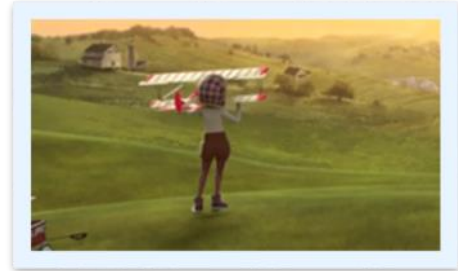

WELCOME TO CLASS 1 PAGE

We were worried that it might rain and spoil our Sports Day, but we had a lovely sunny day in the end! We all tried our best and had a lovely day- we really enjoyed the strawberries and lemonade too, and especially the ice lollies!

This week in Phonics Reception have been learning 'are' (care and share), 'er' (better letter) and 'ow' (brown cow).

We watched a lovely short film called 'Soar' about a girl who is trying to build a working aeroplane and then has an unexpected meeting- your child will tell you what happened next! We have been using this to inspire our writing this week.

In History we have been learning all about a famous pilot called Amelia Earhart who set several world records and tragically went missing on 2nd July 1937 whilst trying to fly around the world.

Reception have been thinking about doubles and equal groups, and linking this to what we know about odd and even numbers.

Class 1 Star

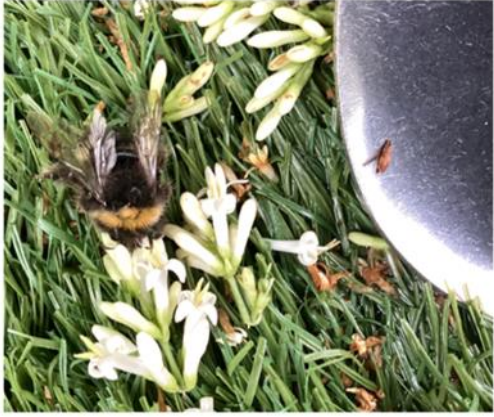

Year 1 have been working with 2D shapes, sorting them and creating patterns with them.

Have a lovely weekend and we will see you next week!

Rewarded for fantastic phonics work

WELCOME TO CLASS 2 PAGE

Class 2 have been following Ziggy's Frightening Flight and this week we found out how sugar water can help a bee regain their strength. So, when we spotted some bees sleeping on the playground floor, we made some sugar water and left it there for them to have.

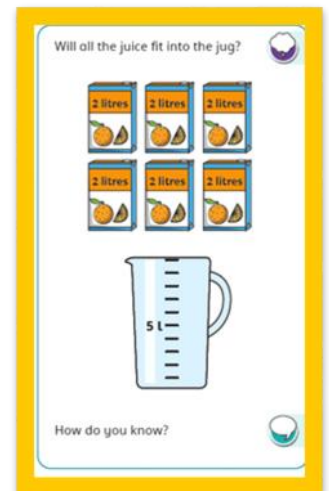

The next day they had flown away, hopefully to their new home.

This week in maths the year one children have been looking at shapes. They have sorted them using one criteria and then made a pattern with them. Can you spot this pattern?

In year two the children have looked at capacity as the way we measure liquid. We have used the language millilitres and litres and explored different containers

and how much they can hold. I have challenged the children to look at containers at home to see if they hold litres or millilitres.

Class 2 Star

**Rewarded for being a good role model
and always working hard in lessons.**

Celebrating Success

REWARDS OF THE WEEK

Well done to all the children that received an award for Marvellous Mathematician, Wonderful Writer, Hand Writer of the week, Reader of the Week or Breakfast Club Superstar. Keep up the hard work.
