### LEAD TEACHER'S HIGHLIGHTS

Punctuality - lost learning - **1 hour 23 mins**

Dear Parents and Carers

Our work on Autumn has continued this week, with Class 1 making an apple crumble using the apples we grew at the front of school. They have also been painting pictures using leaves and looking at Autumn colours.

On Wednesday I joined Year 1 on their Forest School visit. Whilst there we did an Autumn Walk with Natasha, our leader, looking at the different colours, shapes and objects that we could find that tells us it's Autumn. We then moved into the forest where the children made Autumn crowns using the objects they'd found. Lots of children then chose to dig and made a fantastic muddy puddle! It was a great morning.

Class 2 have had a real focus on computing this week, using the iPads and Beebots, exploring directions and giving instructions. Have a look at the photos below.

Finally, here are a couple of notices for you and a reminder that next Friday is a non-uniform day. The Friends of Church Aston Infant School are asking that children bring in some chocolate ready for a chocolate raffle at Christmas.

Have a wonderful weekend.

Mrs Sarah Pitt

### Harvest

We are celebrating Harvest slightly late this year. Unfortunately, St Andrew's Church doesn't currently have a vicar and so we will do an assembly in school for the children. St Andrew's are collecting for the local food bank, and so if you would like to contribute, please bring your non-perishable food donations into school by next Friday. We will ensure it gets to the church safely.

### Book Sale

Next Friday, Year 2 and the Friends of Church Aston Infant School are holding a book sale at the end of the school day. Please support them to raise money towards the Christmas Disco.

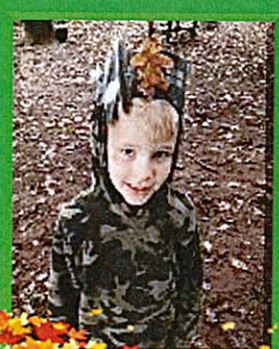

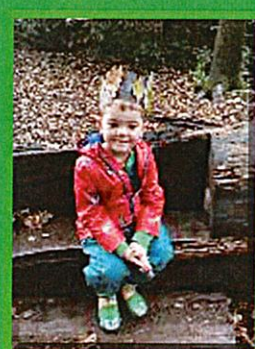

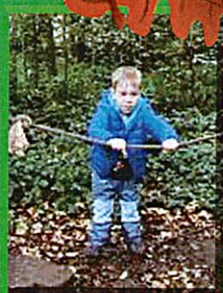

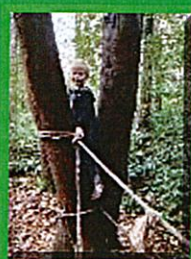

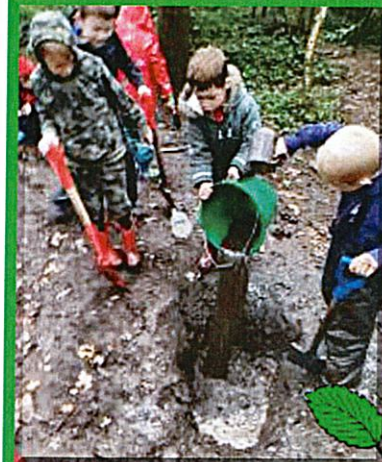

Next Wednesday 23rd Reception will go to Forest School.

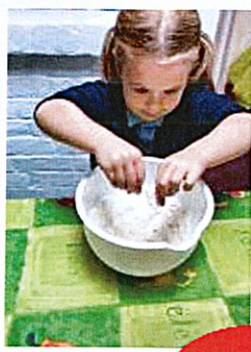

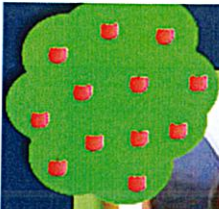

Year 1 had a wet but wonderful time at Forest School.

# Class 1

We made an apple crumble using the apples from our Apple Tree.

## IMPORTANT

### NOTICE

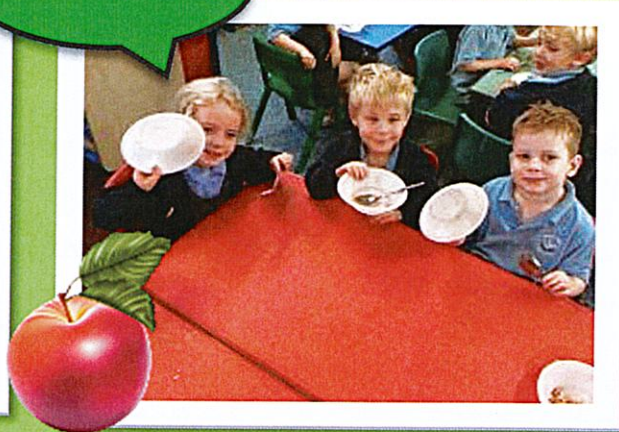

Please can you ensure that your child has their reading books and reading diary in their book bags every day to enable us to hear them read in school and change their books.

Yum!

Delicious!

# Class 2

We used i-pads to programme and move objects in a variety of directions.

We programmed the Bee-bots to move in different directions.
