HEAD TEACHER'S HIGHLIGHTS

SPRING TERM 1 ATTENDANCE

Let's see if we can increase attendance during the second half of Spring term.

Dear parents

We have finished our half term in a great way supporting The Air Ambulance Service by wearing red, everyone looked bright and cheery this morning. Thank you for all your kind donations. It really is a super cause, if you haven't had opportunity to donate yet but would like to please see the QR code below, you can scan this to donate.

The last session of swimming for Class 2 this week. Mrs Powell is very pleased to see how confident the children are in the water and how the majority of children are now swimming further or have developed stronger skills than they had at their first session. Well done everyone for your perseverance and the willingness to improve your skills. Great achievement! Your turn next half term Class 1.

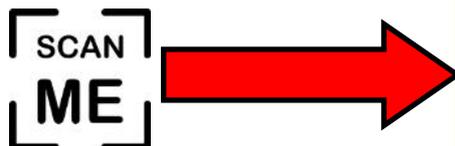

We had a wonderful day out at Enginuity on Thursday. The children were so interested in all that was going on, with lots to investigate and explore. They enjoyed making their vehicles during the workshop with some extremely designs. Well done for working together so cooperatively. It is sometimes surprising can do when you work as part of a

Please can I remind you about parking with consideration for all those around you. It is important that we protect our children's safety at the beginning and end of the school day. If you could all aim to use the parking at the Village Hall it really will reduce the congestion around the school and allow children, parents, and the local community to walk along safely. Thank you for your cooperation with this.

Have a lovely half term and enjoy some family time.

Best wishes

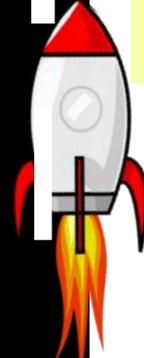

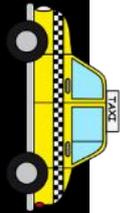

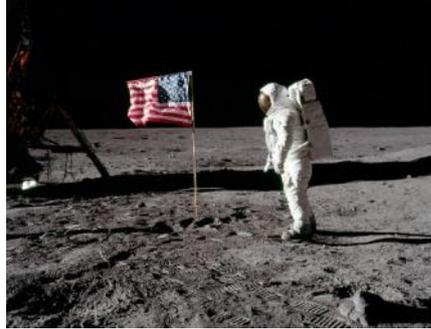

Jenny Griffiths

CLASS 1

What a speedy half term this has been! The children have loved our 'Here we go!' topic. They have enjoyed learning about lots of different modes of transport throughout history, all the way through to the modern day. This week we looked at a very special journey in 1969, where three very brave astronauts flew to space in a rocket and Neil Armstrong became the first man to step foot on the moon!

In phonics Reception have recapped the sounds or, air and ir.

In maths Reception have been thinking about who has 'more' and who has 'fewer.'

We had a fun time making Valentines Day cards this week, look out for them in your little love bug's bag this week!

Have a super half term break and we will see you back in school on the 20th!

**Rewarded for
Always amazing us with
his fantastic work**

STAR OF THE WEEK

CLASS 2

This week we have been thinking about Safer Internet Day. We know that being safe is important, so we created an assembly for everyone.

We talked about the different kinds of devices we have in school and at home. We thought about how it makes us feel when we go online.

Then we discussed who the trusted adults are and how they can help us. Class 2 made some amazing posters to help us remember what to do when we are on the internet.

I would like to say a big thank you to our new 'Safe Crew' who led the assembly. Finally well done to Class 2 swimmers you are amazing!

YEAR 2 CHILD IS STAR OF THE WEEK

Rewarded for settling into Class 2 so well.

Important Dates

12th to 16th February – half term

19th February – PD day
