HEAD TEACHER'S HIGHLIGHTS

Dear parents

We had a wonderful start to our week with a visit from Ofsted! Thank you for all your support either talking to the inspectors directly or filling in their questionnaire. It was a positive visit, and we were very proud of how our children responded to questions about our school and their learning here. The report should be published in the next few weeks, we will of course let you know when.

Our reception children had a super sunny day for their last forest visit this term. They were fully involved in all activities, and it was a pleasure to see. Please enjoy the photographs later in the newsletter.

It will soon be the Newport Show and we are working on art for the display. We would love to see you get involved in this with your child at home to create a piece of weaving art. This can be done in any medium or materials you wish 2D or 3D art. So enjoy the challenge and we look forward to seeing the children's woven creation in school the week commencing 8th July.

Looking forward to seeing you all at sports day next Tuesday.

I hope the staff in particular have a relaxing weekend, they all work so hard and are so committed to their roles, great job everyone, many thanks.

Best wishes

Jenny Griffiths
