SUMMER TERM

fun care safe respect learn

### HEAD TEACHER'S HIGHLIGHTS

Dear parents

It is all happening here as we build to our final week of the year. We are pleased to say that our Ofsted report has now been published and a copy can be found on our website. We think it captured the wonderful ethos of our school very well especially in the words **"love and care live here."** We were very impressed as always with how our children were able to express what and how they have been learning and how they welcome everyone to our school. All staff are proud to work here, and I am extremely proud of all that we have achieved as a team over the years. I would also like to express my thanks for all the parental support you give your individual child and to the school in general, your enthusiasm for your child's learning is exceptional.

I know the children are looking forward to the leavers party later today. Thank you to Friends of School for organising this event and for the leaver's gifts. The children are very excited about it.

Our Church Aston book has inspired lots of independent story writing this week which is lovely to see, well done everyone. Please take time to review the book online. Mrs Gibbons has told me that Newport Library will be having a few copies ready for children to borrow.

You should have received your child's report yesterday, I hope none are still left in book bags. There is also a slip for you to return if you have any comments.

We had some great weaving sent in for the Newport Show, thank you for helping your child, weaving is quite a satisfying skill for them to acquire, I hope some of you get chance to pop over and see our display and enjoy the rest of the show.

Have a relaxing weekend.

Best wishes

Jenny Griffiths

GOOD LUCK TO ENGLAND FOR THE EURO FINAL THIS SUNDAY

# CLASS 1

We can't believe we are nearly at the end of the school year! The time is flying by! The Class One children have been fantastic at welcoming the new Reception children who had their second transition afternoon on Monday, they made us so proud!

Year One have been focussing on their handwriting this week in our English lessons. Reception have been writing sentences and phrases.

In maths this week Reception have been continuing to work on their rekenreks. They know that there are 10 beads on each row and that 10 is made of 5 red beads and 5 white beads. They are super subitisers! Year 1's have continued to work on halving, doubling and their two times tables.

We had lots of fun making mini me people this week too!  
Have a lovely weekend and we will see you next week!

**Rewarded for  
trying hard to  
make his writing  
super neat.**

**STAR OF THE WEEK**

# CLASS 2

We are nearly at the end of another busy year in Class 2 and I have really enjoyed all their enthusiasm and energy.

Here is a snapshot of how hard they work in PE. We have worked on moving quickly whilst being aware of others around us. Some of the children have a hoop, which means they are surrounded by a bubble and if they touch anyone their bubble will burst! This has been a wonderful way to see the move around at speed, show awareness of others and work as part of a team.

**Rewarded for being  
kind and caring.**

**STAR OF THE WEEK**

# Important Dates

18th July—Garden Party in school, 1.30pm all parents invited, please see attached poster.

19th July—Leavers Assembly for Year 2 parents at 9:15am in school for approximately one hour.
